

Three of the Four Royal Family has died.  
If you die, what's the point of possessing all the valuables you had?  
Even if I roll on the streets, I'd like to avoid death.

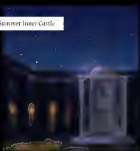

I'd like to enjoy my life  
and take advantage of my happiness.

CREAK

At the beginning  
of the third month,  
I'm having a wedding  
ceremony...

for the sixth time.

LONE MOUNTAIN

I know...

...I was a  
fool to listen to  
your words...

Shin Wool

I wonder if it's  
breakable (or not) given  
my perspective... The land  
looks so far away.

This airship is headed  
to Hollan right now.

COME MARGA!

This Dragon Artifact was excavated in the Labyrinth of Tene, and was later smuggled into Totunang.

I got in contact with Mr. Karin through the Circle, and we made arrangements to meet at the Capital ahead of time.

because she had someone to introduce me to.

Ranastols.

They're the unforgivable ones that killed my father.

It felt like I was grasping thin air before.

But now, I feel much closer to it.

He chose me as his "Riyonai".

Soon afterwards, I  
was able to use the  
power of the Dragons.

The Isongi wanted to  
control me and I've been  
receiving help from them,  
but...

No, I can't deny  
what's happened  
in the past.

What's done  
is done.

I need to be thinking  
about what I'll need to  
do, and what I should  
do in the present...

Whenever  
Kairuki smiles like  
that, my mind suddenly  
goes blank...

Come to think of  
it, he's been smiling  
a lot lately.

There wasn't any  
emotion showing on  
face before.

hooooo...

As a human,  
you are not affected  
as much

however,  
the procedure Luffy  
with Long Kairuki,  
a dragon.

the dragon's emotions affect the world immensely.

I never thought  
his case so much  
about his family...

should something  
happen to him...

if you think of it  
that way, it's best if  
dragons stay emotionless  
so that nature can take  
its own course.

is it really five for  
ten so much for the  
pastors like these still  
in bed if they don't  
wake up at all...

admitted, in order to  
do that, I need to know  
where that pastored  
is, first

after that day, there's been  
no sign of it appearing, which  
is concerning too.

not so weird,  
after all...

is it being because  
it can't move?

LONE MANGA!

as soon it have  
another problem  
to solve...

please try not  
to attract lone kuma's  
the returned duration of  
his time on this planet.

so that he does  
not change...

I don't  
understand  
why either

Lady Aurora,  
wait...!

That clock in the  
middle of the city... is  
something like a star-core  
of the Legend.

I never expected  
them to have  
something so big.

and why do they  
have so many...?

Didam!

Capital Holum...

LONE MANGA!

I need to hurry  
and meet up with  
Ms. Karin.
